Dogwood Trail Multi-Use Path Meeting Changed – Thursday, Sept. 22

Due to Ophelia, the public input meeting on the Dogwood Trail multi-use paths has been changed to Thursday, September 22, 7:00 PM; Pitts Center. The public is invited to give Town staff your ideas about both South Dogwood Tr. multi-use paths (Kitty Hawk Elementary School to Duck Woods Country Club; Duck Woods Country Club to E. Dogwood). We will have alternative routes for you to view and we need to know how the public feels about both paths and – very importantly – if, how and where the paths should be built.

CPOA Meeting

The Chicahawk Property Owners Association will have their semi-annual meeting tomorrow, Saturday, September 17, 2005, 10:00 AM in the Pitts Center, followed by a 12:00 Noon picnic at the Chicahawk tennis courts on Trinitie Trail. If the weather is not good, the picnic will be held at Saul's BBQ in Harbinger. All CPOA members and their guests are invited.

Our Chipping Program

The Town's chipping program does not chip any brush left out by contractors. If you had or are having a contractor clean up your yard or take care of storm debris, **the contractor must take the brush away**. If the Town chipper has to take care of it, you will be sent a bill. Don't pay twice for the same service!

If you have a private company (e.g., landscaper) delivering chips, the chips must be dumped onto your property and not on the Town right-of-way. Not knowing whether the chips were dumped illegally, the Town will remove any piles of chips in the right-of-way and you could lose the chips you just paid to have delivered! **If you don't have space on your property for privately-delivered chips, please contact [Town Hall](#) (261-2394) so we don't haul them away.**

Free chips are available from the Town. Please contact [Merrie](#) with your address and, afterwards, place a sign off the right-of-way where to put the chips.

If you see company other than the Town's chipper (Atlantic Tree) dropping off chips on the Town right-of-way, please contact Town Hall immediately at 261-2394.

For more information and the chipping schedule, go to [Chips](#) . To see a sector map, go to [Map](#). The Chipper will be in Sector #3 the week of September 19, and your brush should be placed out by Monday morning. Sector #4 can start putting their brush out for chipping.
